**PURPOSE:** One of the most powerful degreaser/cleaners ever designed specifically for easy removal of grease, tar, oil deposits and heavily soiled areas, from most hard surfaces and equipment. Deep cleaning and degreasing action acts quickly to penetrate and lift grease/soil from surfaces. Leaves surfaces clean and free from any greasy residues.

**SURFACE APPLICABLE:** Safe to use on most surfaces. NOTE: Always test solution for surface and color safety.

**WHERE USED:** Simply Awesome is used successfully in most heavy industries. It is uniquely formulated to handle most types of grease and soils, using any kind of application. NOTE: Do not use on polished aluminum.

**PROPERTIES:** A red colored liquid. Contains organic wetting and penetrating agents, emulsifying and solubilizing agents, specifically formulated blend of detergents and water-soluble safety solvent.

**HOW USED:** Dilute with water. Dilution ranges from 1 - 1 to 1 - 32. See product label.

**HANDLING:** See product label and Material Safety Data Sheet.
