DESCRIPTION:

Porso Brite's unique biodegradable formula, has been used by professional cleaners nationwide as a earth friendly, labor saving cleaner. It's thick-clinging formula penetrates quickly to remove corrosion, oxidation, soap film, lime and hard water stains, mildew and rust. Can also be used to clean dish washers or washing machines.

DIRECTIONS:

Wearing rubber gloves, apply to surface with damp sponge or cloth, clean with circular motion, rinse immediately with water. For heavy stains and deposits allow product to soak approximately 4 minutes. Then rinse, repeat if necessary. Regular use will prevent hard water buildup.

Note:

May harm marble, polished aluminum, metallic glazed surfaces, wood and painted surfaces. Always test solution for color safety in an inconspicuous area before use.

WARNING:

Avoid contact with skin and eyes. Avoid prolonged breathing of vapor. Should contact occur in eyes. Wash immediately with liberal amounts of water. GET MEDICAL ATTENTION MAY BE HARMFUL IF SWALLOWED. Read all precautions on back of bottle prior to use.

KEEP OUT OF REACH OF CHILDREN
